CULTURAL MAPPING

March 12, 2010 - In order to continue its work on a regional cultural mapping system, the Muskoka Community Network will be using the Arts Directory of Muskoka database, with the purpose of creating a map for the website.

Only information which is currently publicly available on the site will be used. (The sharing of this information with Muskoka Community Network is stated in and complies with the Registered User's Terms of Use Policy for the Arts Directory of Muskoka).

The Arts Directory of Muskoka looks forward to the enhanced mapping capabilities which will result from this project. Please let us know if you do not wish to share your information for this purpose, by emailing info@artsdirectoryofmuskoka.com.

Vision: To enrich Muskoka through the arts.

Mission: To identify, unite, support, promote and facilitate artists and artistic activity in Muskoka.
