

Are you between the ages of 16 and 25
and want to make a difference in your community?

It is time to STEP UP!

Step Up to Leadership inspires change-makers like you to encourage positive community growth through your involvement and your leadership.

This weekend-long program facilitated by Me to We Leadership focuses on:

- **Discovering the leader within:** building confidence and self-esteem, empowering individuals to discover their potential
- **Exploring community:** community visioning, mapping and perspectives
- **Taking action:** identifying how to turn passion into action to make a difference in our communities
